

Proven Global Success Offers Opportunity

Pampered Girls is a rapidly growing and successful lifestyle fashion brand, powered by over 50 global licensees and strategic alliances, including an expanding chain of branded retail stores in Japan and China.

Pampered Girls features designs that range from sophisticated and whimsical to bold and trendy. Hip colors, creative patterns and cute characters portray the happy, joyful and fun energy of the brand's target audience. Pampered Girls appeals to a wide age range of girls and youthful women.

Licensees have access to professional style guides packed with on-trend designs and a constant flow of fresh ideas.

Pampered Girls will launch across India with a wide variety of products from top manufacturers and retailers, including apparel from Dhananjai Apparels, known for their E-Teenz apparel retail stores.

I enjoy just a little extra flair.
My style is distinct yet diverse,
Smart yet fun. I take pride in myself.
I am a Pampered Girl!
