

AN EXPRESSION OF MOVEMENT.

Polaroid represents more than a brand. More than the cameras in the closet. More than the millions of images online and in people's lives. *Polaroid* is a movement. It is love of self-expression and the sharing of that expression. Of seeing the results and trying again, a feedback loop that is instant and fulfilling. We want to embrace this movement, make it live, breathe and grow. The *Polaroid* movement will continue on... Freeing images instantly to fly and soar without hesitation.

AN UNTAPPED OPPORTUNITY.

It is an exciting time to be in partnership with *Polaroid*. *Polaroid* is a brand with a world-famous heritage and is writing the next chapter of their history with a wide offering of cutting-edge products.
