

Salvador Dali

Showcasing the best of Art Collection

Salvador Dali- Spanish Surrealist Painter

Salvador Dali, a name that makes us remember the Spanish surrealist painter who ruled during the era of 1904- 1989 by portraying his hidden talent through his fabulous paintings. He wrote a libretto for "Etre Dieu" (To be God), an opera-poem, a reflection of his own personality. His work showcased a perfect blend of sculpture, architecture, fantasy and stage craft. His creations are so magnificent and divine that one can easily make out, as to what kind meticulous artist he was.

How is Salvador Dali's presence felt today?

The unique work created by Salvador Dali in 1961 is owned by V.S Marketing Ltd today and this organization has the only worldwide commercial as well as the exploitation rights to the artwork. Rights being not limited by time and are for whole world excluding Spain. The firm is in partnership with Dali's opera "ETRE DIEU" and has collection of photographs depicting the work of this great artist. Wall painting, hangings, natural sceneries and other art works are well demonstrated.
