

University of Oxford

SHAPING THE WORLD

The University of Oxford is one of the world's oldest academic institutions with records of teaching dating back to 1096. The University is renowned for its high standards of academic achievement and research, sporting heritage, as well as world class museums and collections. Its Alumni include politicians, leaders and influencers around the globe including Dr. Manmohan Singh, Prime Minister of India who helped liberalize trade in India in the early 1990s, leading to substantial economic growth and reduction in poverty rates – post completing his doctorate studies of economics at the University of Oxford.

ESTABLISHING A GLOBAL BRAND

Over the centuries, the University of Oxford has built a reputation for achievement and excellence, and has become a global brand that is respected, admired and immediately recognized.
